

It is matter of pride and delight to be the part of National Institute of Technology Delhi family, an Institute of national importance under the aegis of Ministry of Human Resource Development, Government of India, New Delhi. NIT Delhi aims to develop innovative ideas and provide research guidance in disciplines of Engineering & Sciences for advanced learning & dissemination of Knowledge. The academic activities of NIT Delhi were initiated at NIT Warangal in year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and now currently running at IAMR Campus, Narela (February 2014).

Institute has already gained recognition amongst the 10 newly established NITs' and another renowned Engineering Institutes. NIT Delhi has stepped forward to attract young, qualified & bright talent globally to impart world class Scientific & Technological knowledge to the students. NIT Delhi is striving to attain global recognition with development of high standard infrastructure & facilities. Institute is focussed to provide electronic environment for governing and learning to the students & faculty in different engineering disciplines.

From academic session 2014-2015, NIT Delhi is going to start another post graduate programme (M.Tech.) in Computer Science & Engineering (Analytics), hoping it will serve the cause for higher education and demand industry & society as whole.

Prof. Ajay K Sharma
Director
NIT Delhi

Annual Report

(2013-2014)

राष्ट्रीय प्रौद्योगिकी संस्थान दिल्ली

National Institute of Technology Delhi
Sector A-7, Institutional Area, Narela, Delhi-110040

1.0 INTRODUCTION

National Institute of Technology Delhi (NITD) is one of the thirty NIT(s) established in the year 2010 by an act of parliament and has been declared as an Institute of National importance. NIT Delhi is an autonomous Institute which functions under the aegis of Ministry of Human Resource Development, Government of India. It aims to provide instructions and research facilities in various disciplines of Engineering, Science and Technology, Management, Social Sciences and Humanities for advanced learning and dissemination of knowledge.

The mission of NIT Delhi is to produce human resources who are creative, competitive and innovative with high intellect and ethical values. The Institute is imparting holistic education, along with inculcating high moral values in its students.

NIT Delhi started its first academic session in 2010 with three undergraduate B.Tech degree programmes in Computer Science and Engineering, Electronics and Communication Engineering and Electrical and Electronics Engineering. The academic activities of NIT Delhi were initiated at NIT Warangal in year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and now currently running at IAMR Campus, Narela (since February 2014).

The process of development of permanent campus on fifty one acre allotted land at NH-1, Narela sub city, New Delhi has begun.

1.1 VISION

To achieve international distinction for commitment, creativity, innovation and excellence as the standards to cultivate knowledge and research activities to develop technologies for the society.

1.2 MISSION STATEMENT

The Mission of NIT Delhi is to produce human resource with creative and innovative ideas, competitiveness with high intellect and professional ethnic values and to impart holistic education along with inculcating high moral values in the students.

1.3 QUALITY POLICY

NIT Delhi is committed to quality through interactive teaching and advanced technological learning practices, creative & innovative thinking process, and research to its stakeholders and fostering them with intellectual culture, quest for excellence and professionalism.

NIT Delhi is committed for good governance, academic excellence, responsible citizenship, teamwork spirit and adaptation to changes. NIT Delhi also aims to produce holistic human resources prepared for a focused life with purpose, service and leadership quality with high moral values.

1.4 EDUCATION SYSTEM

NIT Delhi adopted Choice based credit system from its mentor institute to develop holistic technical human resource of excellence suitable for global requirements as under:

- **Choice based credit system:** All the programmes follow the choice based credit system of teaching & evaluation. The academic year is divided into two semesters, namely, the odd and even semesters.
- **Attendance:** Attendance in all classes (lectures/ tutorials, Laboratories, workshops etc.) is compulsory. A student may be debarred from appearing in the examination on grounds of unsatisfactory attendance, which is less than 75% of number of classes held in each course.
- **Registration:** Every student is required to be present and register on the commencement of each semester as notified in the Academic Calendar.

Registration in all the prescribed courses is compulsory for first two semesters of B.Tech. Program, which is automatic with the admission. The registration from 3rd semester is organized by the department under the supervision of Head of the Department.

The registration to a semester is subject to following:

- Clearance of all the dues of the institute & hostel for the previous semesters.
- Payment of the prescribed fees for the current semester
- Not been debarred from registering for a specific period on disciplinary or any other ground.

1.5 NEW INITIATIVES

- M.Tech in Department of Computer Science & Engineering to be started from session 2014-15
- Adoption of four (4) tier cadre structure of faculty posts in NIT Delhi
- Policy for collaborating with Foreign/Indian Universities/Institutions - signing of memorandum of understanding.
- Regulations for the admission to PhD programmes and awarding of PhD degrees (regular).
- Library Automation: The Computerization of Library resources with LIBSYS 7 has been initiated.
- Implementation of IMS (Institute Management System) with LSAcademia is in process.

2.0 OVERVIEW

Historical Background

National Institute of Technology Delhi (NITD) is one of the thirty NIT (s) established in the year 2010 by an act of the parliament and has been declared as an Institute of National importance. NIT Delhi is an autonomous Institute which functions under the aegis of Ministry of Human Resource Development, Government of India. It aims to provide instructions and research facilities in various

disciplines of Engineering, Science & Technology, Management, Social Sciences and Humanities for advanced learning and dissemination of knowledge.

The mission of NIT Delhi is to produce human resource those who are creative, competitive and innovative with high intellect and ethical values. The Institute is imparting holistic education, along with inculcating high moral values in its students.

NIT Delhi has started its first academic session in 2010 with three undergraduate B.Tech degree programmes in Computer Science & Engineering, Electronics & Communication Engineering and Electrical & Electronics Engineering. The academic activities of NIT Delhi were initiated at NIT Warangal in year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and now currently running at IAMR Campus, Narela (February 2014).

Possession of fifty one acre land has been allotted for permanent campus of NIT Delhi on NH-1, Narela sub city, New Delhi. The process of developing the permanent campus has begun.

Academic Programmes underway at NIT Delhi:

From academic year 2013-14 the intake in each B. Tech programme has been increased to strength of 60 students. M.Tech. Programme in the discipline of Electronics and Communication Engineering with an intake of 15 students was introduced from the academic year 2013-14 followed by Ph.D. programme which has started from January 2014 with intake of seven research scholars and M.Tech Programme in Computer Science and Engineering (Analytics) with an intake of 15 students is yet to start for Academic year 2014-15.

Admission for B.Tech programmes are made on the basis of the performance in the Joint Entrance Examination (JEE) for the Indian Nationals. Admissions to 50% of the seats are made amongst the students of Delhi & Chandigarh and the remaining 50% seats are made on the basis of All India ranking of the aspiring applicants. Admissions to the M.Tech Programmes are made on the basis of performance in GATE (Graduate Aptitude Test in Engineering) Examination.

2.1 Location

National Institute of Technology Delhi

Institute of Applied Manpower Research (IAMR Campus)

A-7, Institutional Area

Near Satyawadi Raja Harish Chandra Hospital,

Narela, Delhi – 110040

Tel: 011 – 27787501

Tel: 011 – 27787502

Fax: 011 – 27787503

Email: (Director) director@nitdelhi.ac.in

Email: (Asstt. Registrar) ar@nitdelhi.ac.in

2.2 Campus

The institute campus is spread over an area of 13 acres on picturesque landscape. It is a harmonious mix of natural beauty with state of art architecture. The campus is not fully residential, consisting of 06 staff quarters. A hostel for boys is available within the campus and one at SRHCH. Girl students' have been accommodated in rented hostel at YWCA Rohini. The campus is self contained having shopping booth, ATM, Students Activity Center and Guest House.

2.3 Status of Permanent Campus

Ministry of HRD view

- Govt. of NCT Delhi should also arrange to provide the land for NIT Delhi.
- As a policy the land is to be provided free of cost by the respective State Govt. for setting up/ expansion of an Institute of National importance.
- The land has been provided free of cost in all NITs including new NITs by the respective State Govts.

Ministry of NCT Delhi view

- The govt. of NCT Delhi requires land for “Projects of Public Good” within the geographical limits of NCT like construction of Bus Terminals/Depots, Hospitals/ Dispensaries, Old Age Homes, schools/Technical Educational Institutions and Office Buildings etc.
- The land within the geographical limits of NCT Delhi is under the administrative control of Central Government. The Delhi Development Authority has been charging money under the provisions of Delhi Development Authority Act, 1957 & rules made there under. It has been charging from the Govt. of NCT of Delhi for allotment of lands within its geographical limits for public good as well.
- Vide the cabinet decision No: 2011 dated 16-04-2013 Govt. of Delhi has resolved that it should be exempted from making payments to DDA for allotment of land within its geographical limits for execution of government projects. The decision in matter has been conveyed to Ministry of UD for an appropriate action.

Delhi Development Authority (DDA) view

- DDA has recently allotted land to Ambedkar University, National Law Institute, South Asian University etc., after getting the payments from the concerned authorities at rates as approved by Govt. of India for transfer of land.
- The rates as applicable should also be charged for the allotment of land for NIT Delhi at Narela.

Background Note

- June 21, 2010 Chief Secretary Govt. of NCT Delhi requested Secy. M/o HRD to approach VC-DDA or Secy. M/o UD for allotment of land for NIT Delhi as the subject matter for allotment of land in Delhi pertains to them.
- July 5, 2010 Secretary, MHRD requested Secy. UD to arrange to allot 300 acres of land to NIT

Delhi. Thereafter, from time to time the matter was taken to M/o UD but no response was received from M/o UD.

- On June 6, 2011 secy. MHRD again requested Secy. UD to expedite the matter of allotment of land.
- On Aug. 2, 2011 Hon'ble HRM requested Hon'ble UDM to convene a meeting with Govt. of NCT of Delhi and UD ministry to resolve the issue of land for NIT Delhi
- Sept. 13, 2011 Dy. Dir (IL) (Institutional Land Branch) DDA regretted the request of allotment of land.
- On March 7, 2012 Director NIT Delhi requested Spl. Secy MHRD to bring the position to notice of HRM and resolve the issue.
- On March 16, 2012 Hon'ble CM Delhi replied Hon'ble HRM to take up the matter of allotment of land with M/o UD who in turn would direct DDA to make adequate land available for NIT Delhi.
- From March 2012 to June 2012 Director, NIT Delhi pursued vigorously the subject of allotment of land with V.C., Commissioner land, DDA. A number of visits were made by Director along with Officers of NIT Delhi and the team of DDA officers to various parts of Delhi to locate suitable land for permanent campus and selected 4 locations.
- On April 30, 2012 Director, NIT Delhi submitted the details of the sites identified for permanent land at Narela Zone to Spl. Secy. M/HRD as per the recommendation of the site selection committee constituted by M/o HRD vide its letter dated Nov 25, 2011.
- June 8, 2012 the site selection committee constituted by M/o HRD visited the identified site and recommended two plots of land measuring about 100 acres of land at Bankholi in Narela Zone (P-1, zone on Zonal Plan of DDA).
- July 19, 2012 Addl. Secy. M/HRD sent a request to Chief Secretary, Govt. of NCT of Delhi to expedite the process of acquisition/physical transfer of land so that the same can be transferred to NIT Delhi.
- August 30, 2012 Deptt. of Training & Technical Education, Govt. of NCT of Delhi forwarded the request of Addl. Secy. M/o HRD to V.C.-DDA to take further necessary action in the matter.

Allotment of Land

- On Oct. 5, 2012 in a meeting of DDA taken by Hon'ble L.G. the matter of allotment of 21 Hect. Land at Bankoli, Narela was approved.
- Oct. 11, 2012 Dy. Dir. (IL) forwarded the file No. F 32 (56)/2010/12/DDA of NIT Delhi to Dir. Planning, DDA for clearance.
- Oct. 17, 2012 Dy. Dir. (LM), DDA informed the Dy. Dir. (IL) Institutional land allotment

department of DDA that the proposed land is in possession of DDA and requested to initiate the process for allotment of aforesaid land to NIT Delhi.

- On Nov. 16, 2012 file was returned by Dir. (Plg.) DDA to Dir. (IL) DDA with the remarks to process the case for allotment of land to NIT Delhi.
- Director, NIT Delhi met V.C. DDA (Sh. S.K. Srivastava) on 3rd Dec. 2012 and as a result we received a letter Dt. 5/7 Dec. 2012 from the Principal Commissioner (Land Disposal & Land Management) DDA which indicated that our proposal for setting up NIT Delhi at Narela was considered by DDA in its meeting held on 5-10-2012 and authority has approved the proposal for allotment of land. The proposal for earmarking the layout plan of allocated land is under process.
- In the light of said letter from DDA and keeping in view the fact that other new NITs have been provided land *free of cost* by the respective states, on Dec.13, 2012 we requested govt. of Delhi through Principal Secy. (T& TE) to meet the financial demand of DDA for taking over the possession of land to the institute.
- In response to the institute's request, Chief Secy. Govt. of NCT of Delhi on Feb19/20, 2013 requested V.C.DDA to include an agenda item for free allotment of 51 acres of land at Narela for NIT Delhi in the next meeting of DDA scheduled on 5th March, 2013.
- On March 23, 2013 Director, NIT Delhi requested Hon'ble HRM to use his good offices to take up the issue of transfer of land to NIT Delhi with Ministry of UD. He also requested Chief Secretary, Govt. of NCT of Delhi to arrange & mobilize the finances to DDA so that the possession of land could be given to NIT Delhi.
- Meanwhile, on April 24, 2013 the letter of allotment of land measuring 51.4 acres was sent by DDA to secretary, M/o HRD with a demand of Rs. 158,13,40,320/- (One hundred Fifty Eight Crore Thirteen Lakh Forty Thousand Three Hundred Twenty only) within two months failing which penalty clause of 15% upto 6 months. A copy of allotment letter was also sent to Chief Secretary, Govt. of NCT Delhi.
- On May 23, 2013 secretary, HRD once again requested Chief Secretary, Govt. of NCT Delhi to arrange to provide the above cost of land to DDA as done by other states because as per policy Central Govt. policy, the land is to be provided free of cost by the state Govt. for setting up of an Institute of National Importance.

Current Status

Now the Payment has been done to DDA by NIT Delhi. The matter is pending in the finance Department of DDA for payment of interest on actual cost as condition for Possession of land.

2.4 ADMINISTRATION

National Institute of Technology, Delhi is an autonomous institution under the aegis of Ministry of Human Resource Development. The Institute functions under the overall control and guidance of the Board of Governors, the other authorities of the Institute are the Finance Committee, Building and Works Committee and the Senate. The constitutions of the Board of Governors, Finance Committee, Building Works and other Committees are given in section 6. The administration of various Departments/Centers in the Institute is looked after by respective Head of the Departments/ Program coordinators.

2.5 ACADEMIC PROGRAMS

In addition to Bachelor's Programs in Engineering, the Institute also offers Master's and Doctorate programmes in Engineering. The academic programs offered by the Institute are listed below:

- Bachelor of Technology(B.Tech.)
- Master of Technology (M.Tech.)
- Doctorate of Philosophy(Ph.D)

2.6 ACADEMIC SESSION

Odd Semester : 28thJuly, 2013 to 15th November, 2013

Even Semester : 10thJanuary 2014 to 20th May, 2014

Working hours

During the period under review the Institute observed the working hours as under:

Working hours 9:30 A.M. to 5:30 P.M.

(Monday to Friday)

Lunch break 1:30 P.M. to 2:30 P.M.

2.7 COURSES OFFERED

Undergraduate Programmes

The Institute offers four-year bachelor Degree programmes in following fields of Engineering:

- Computer Science and Engineering
- Electronics and Communication Engineering
- Electrical and Electronics Engineering

NIT Delhi has been admitting 30 students to its undergraduate programmes on the basis of marks obtained by them in the All India level Entrance Examination- AIEEE, which is conducted by Central Board of

Secondary Education (CBSE). From the academic session 2013-14, the admission to the undergraduate programs is done on the basis of JEE examination and the marks obtained in the qualifying examinations. From the academic session 2013-14, the intake of students in each of its undergraduate programme is 60, and admission is through Central Seat Allocation Board (CSAB).

Post-Graduate Programme

The Institute offers a two-year master degree programs in following field of engineering:

- *Electronics and Communication Engineering [2013-2014]*

From the academic session 2013-14, NIT Delhi has admitted students to its postgraduate programmes on the basis of marks obtained by them in the Graduate Aptitude Test in Engineering-GATE and through CCMT Counseling. The intake of students to these postgraduate programmes is 15 each.

Doctorate Programmes

The Institute offers Doctorate of Philosophy (Ph.D) degree programmes in following fields of Engineering:

- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Computer Science and Engineering

2.8 ADMISSION PROCEDURE

Under Graduate Programme

Admission for the B.Tech. Programmes are made on the basis of the performance in the AIEEE for the Indian Nationals and under the DASA scheme for the NRIs following the guidelines of CCB (Central Counselling Board). The CCB works under the directions from Government of India, MHRD and with full co-operation from National Informatics Centre (NIC), CBSE, and participating Institutions (PIs). The rules and regulations for the admission change from time to time. The main stages in the procedure are the conduct of the entrance test (AIEEE), conduct of off-line counselling, conduct of on-line counseling and admission.

Post Graduate Programme

Admission for the M.Tech program in engineering is through GATE examination. The Graduate Aptitude Test in Engineering (GATE) is an All-India examination administered and conducted in eight zones across the country by the GATE Committee comprising faculty from an organizing Institute and seven Indian Institutes of Technology on behalf of the National Coordinating Board - GATE,

Department of Education, Ministry of Human Resources Development (MHRD), Government of India. Further, the counseling is done through CCMT.

Ph.D Programme

Applications on prescribed format for admission to PhD programme are invited twice in a year through advertisement in the National dailies, media and on Institute's website. The advertisement shall include the predetermined seats and as per the guidelines of reservation policy of Government of India. A candidate interested in applying in more than one department category shall be required to apply on separate application form along with appropriate fee. The candidate shall be required to submit a write-up (1-2 pages) of his/her proposed area of research along with the application.

- **Screening Committee:**

A Screening Committee will comprise of the Head of Department (HOD) and three faculty members holding Ph.D degree and a member holding Ph.D degree from the collaborative Organizations/ Industries/Institutes (Indian/Foreign) having MoU with NITD. The committee shall screen all applications for admission to Ph.D programme. The committee is expected to verify the eligibility of the applicant(s) for the programme/Entrance Test based upon his/her details mentioned in the application(s) and the documents enclosed.

After screening applications, the Head of Department shall forward the list of the eligible candidates to Assistant Registrar (Academic) with a copy to Dean (Academic). The Deputy Registrar consolidates the list of all the departments and notifies through approval of Dean (Academic).

- **Entrance Test**

All the eligible candidates shall be required to take an Entrance Test followed by an interview to be organized by respective department as the case may be. The Entrance Test will be of MCQ Mode. A candidate securing at least 40% marks in the Entrance test shall be declared qualified in the test. The syllabus for the same will be notified on the Institute's Website.

- **Interview**

The eligible candidates who have qualified the Entrance test shall be called for the interview. At the time of interview, candidates are expected to discuss their research interest/area of interest.

- **Interview Committee**

The Interview Committee shall comprise of the following:

- Director/Nominee
- Dean (Academic)/Nominee
- All faculty members of the concerned Department/Cognitive department (with Ph.D. Person(s)*)

from the collaborative Organizations/Industries/Institutes (Indian/ Foreign) having MoU with NITD and has been approved to act as supervisor.

- Person(s)* from the collaborative Organizations/Industries/Institutes (Indian/ Foreign) having MoU with NITD and has been approved to act as supervisor.

**persons from collaborative Organization/Industries/Institutes (Indian/Foreign) having MoU with NITD may Join for the interview through NKN or Skype or any other ICT mode*

Keeping in view the available seats, the interview committee shall recommend the names of candidates found suitable for admission to Ph.D. Programme for the approval of Chairman, Senate. The Deputy/ Assistant registrar (Academic) shall notify the list of candidates through appropriate means.

2.9 STUDENTS

Admission Statistics – UG/PG Programmes, Course wise with sex, caste break up

Total Sanctioned Intake of Students at UG & PG Level					
Course/ Category	General	SC	ST	OBC	Total
UG	87+3*	26+1*	14	48+1*	180+12#
PG	8	2	1	4	15
Grand Total	98	29	15	53	195+12#
* PWD					
# DASA Students					

2.10 EXAMINATION & EVALUATION

The academic system at NIT, Delhi is framed on a credit based semester examination system. The credit system envisages a continuous evaluation of a student's performance, and provides flexibility for academic progress at an optimum pace based on individual ability and convenience, subject to the constraint of the minimum requirements for continuation in the academic programme.

The student is awarded a letter grade from the prescribed grading system in each course registered by him. For each pass grade, the students accumulate the course credits as earned credits. The academic performance of the student is indicated in terms of the number of credits that he/she earns and the weighted grade point average. A specified minimum number of credits should be acquired

on a semester or session basis in order to qualify for continuation in the academic programme and the award of degree.

Credits

Each lecture/tutorial hour per week per semester is assigned one credit. Each laboratory hour per week per semester is assigned half credit. However, some courses are preparatory in nature and have half the credit weightage of a normal course. The courses without credit are termed as Non Credit (NC) courses.

Grades

1. As a measure of student's performance, a 7-scale grading system using the following letter grades and corresponding grade points per credit is following:

Letter Grade	Ex	A	B	C	D	P	F
Grade Point	10	9	8	7	6	5	0

- No student can be awarded P or better grade without securing atleast 30% marks in any course.
 - It is also mandatory that the student should secure atleast 30% marks in the end semester examination in the subject for award of P or better grade.
 - The grading shall be relative grading system.
 - The class average marks (after excluding the marks obtained by students with F grade) should be in mid-range of C grade and other grade (Ex, A, B, D, P) ranges are to be fixed appropriately, so that, the distribution of number of students in the pass grades is a “near-normal bell curve”.
 - DAG (UG) is authorized to modify the grade ranges for various grades, if it is felt necessary. However, all such modifications are to be recorded and placed before senate for approval.
2. In addition, there shall be four transitional grading symbols, which can be used by the examiners to indicate the special position of a student in the subject.

- I : for “incomplete assessment”, when the students misses the end semester examination on medical grounds.
 - R : for “insufficient attendance” in the course
 - W : for “temporary withdrawal” from the Institute
 - X : for “Debarred” on the grounds of indiscipline/malpractices in the examination
3. A Semester Grade Point Average (SGPA) will be computed for each semester. The SGPA is calculated as follows:

$$SGPA = \frac{\sum_1^n C_i GP_i}{\sum_1^n C_i}$$

where C_i = Credit for the course

GP_i = the grade point obtained for the course

n = number of subjects registered in the semester.

4. Starting from 1st year 2nd semester a cumulative Grade Point Average (CGPA) will be computed for every student at the end of every semester. The CGPA would give the Cumulative performance of the student from first semester up to the end of the semester to which it refers and calculated as follows:

$$CGPA = \frac{\sum_1^n S_i C_i}{\sum_1^n C_i}$$

where, n = the total number of Semesters under consideration

C_i = Total number of credits registered during a particular semester

S_i = SGPA of the semester

5. The CGPA, SGPA and the grades obtained in all the subjects in a semester are be communicated to every student at the end of every semester excepting IV year II semester. In its place a consolidated grade sheet (with 190 credits) is issued. This consolidated grade sheet supersedes all the earlier grade sheets.
6. Both SGPA and CGPA are rounded-off to the second place of decimal and recorded as such. Whenever these grade point averages are to be used for the purpose of determining the inter se

merit ranking of a group of students, only the rounded off values are used.

7. Transitional Grades:

- *Grade I:* When a student gets an I grade for any subject(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester is tentatively calculated ignoring this (these) subjects. After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester is recalculated after taking into account the new grades.
 - *About Grade R, W and X:* when a student gets any of these transitional grades in any subject(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated by taking “Zero point” for these subject(s). After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after taking new grades into account.
 - *About grade F:* When a student gets the “F” grade in any subject during a semester, the SGPA and the CGPA from that semester onwards is tentatively calculated, taking only “Zero point” for each such “F grade. After the F grade has been substituted by better grades during a subsequent semester, the SGPA and CGPA of all the semester starting from the earliest semester in which the F grade has been updated, is recomputed and recorded to take this change of grade into account.
8. Students registering any course for examination is awarded only P grade, if they get 30% or more marks in the End Semester/ Makeup Examination

Assesment of Academic Performance

1. There is continous assessment of a student’s performance throughout the semester and grades are awarded by the Subject Teacher/Coordination Committee formed for this purpose.
2. Each theory subject in a semester is evaluated for 100 marks with the following weightages:

<u>Sub-components</u>	<u>Weightages</u>
Class Tests/ Surprise Tests/ Assignments/Quizzes	20 marks
Mid Semester Examination	30 marks
End Semester Examination	50 marks

3. The Mid Semester Examination is conducted after 7 or 8 weeks of instruction.
4. The mode and nature of evaluation and the corresponding weightages, for the sub components are intimated to the students at the beginning of the semester along with the lecture schedule.
5. Each laboratory course in a semester is evaluated for 100 marks, with the following weightages:

<u>Subcomponents</u>	<u>Weightages</u>
Continous evaluation (Lab Report, Viva, Quiz)	25 marks
Skill test	25 marks
End Semester Examination	50 marks

2.11 DEGREE REQUIREMENTS

The requirements for a student to B.Tech. degree program are as follows:

- *Credit requirements:* Minimum earned credit requirements for the award of degree is 190 with a CGPA of not less than 5.0
- The minimum duration for a student for complying with the degree requirement is four academic years from the date of first registration for his/ her first semester.
- Maximum duration for a student for complying with the degree requirement is eight academic years from the date of first registration for his/her first semester.

2.12 PLACEMENT

Placement of first final year batch (2010-2014 batch)

Campus Interviews were arranged for the final year B.Tech students. A handsome number of reputed Industrial houses in the country visited the Institution and selected/short listed the final year students as Engineers. Some of the Companies invited the students to their Corporate Offices for the interviews. (Details are provided under section 4.7)

2.13 GAMES & SPORTS

The students entering in the Institute are required to undergo the following Non-Credit mandatory requirements towards completion of their degree:

·N.S.O. (National Sports Organization)

·N.S.S. (National Service Scheme)

The students have to opt for one of these activities based on the enrolment procedure and their choice. A total of 100 hours of prescribed activities are to be completed after registration in the first year. In case the requirements are not met in the first year, the same shall be completed in the second year i.e. end of the 4th Semester. If a student does not obtain a satisfactory grade in the respective registered course within the first two years of his/her stay at the Institute, he/she will not be registered for the higher semester after second year.

The students will be satisfactorily allowed to register in sports activities of the Institute for completing their National Sports Organization requirement in the first year. (Details are provided under section 9.2)

2.15 NOTABLE ACHIEVEMENTS

NIT Delhi has accomplished the following Notable achievements in a very short span of time:

- **Laboratories-** With the planned schedule of classes which is already underway, the Laboratories are providing controlled conditions for conducting research, experiments and measurements. The Laboratories at NIT Delhi are reservoirs of opportunity, energy, innovation and growth. Details are provided in section 9.3
- **Library-** Central Library has a sound collection in the field of Science & Technology, Engineering, Physical Sciences & Humanities. Collection in print and electronic format are available along with the access to subscribed E-resources. Details are provided in Section 9.5.
- **Computer Center-**The Institute visualizes centralized computing facility, campus wide networking and Information Technology as a means to enrich the educational experience and invigorate emerging areas of scholarly research and development. Details are provided in section 9.1
- **Classrooms** -Classrooms at NIT Delhi are well structured keeping all the requirements and technology in mind. These are equipped with electric projector screens apart from the basic necessities of a classroom. Details are provided in section 9.4.
- **Mess & Canteen** –The Institute has a facility of mess services for the staff and students as well as for the guests. Modern food facilities with good taste are available in the mess throughout the session.
- **ATM** –A Canara Bank ATM facility is available for the staff and students 24x7 in the campus.
- **Shopping Area** –The area consist of book store facility and night canteen near the entrance gate of the Campus.

3.0 STAFF

3.1 Academic staff (Teaching)

Head of the Departments

S. No.	Department	Name
1.	Computer Science & Engineering	Ms. Vibha Nehra
2.	Electronics & Communication Engineering	Dr. Supriya Aggarwal
3.	Electrical & Electronics Engineering	Dr. Pankaj Mukhija
4.	Applied Sciences	Dr. Vinay Shankar Pandey
5.	Humanities	Dr. Shakira Khan

3.2 Faculty and Staff

The faculty of each Department/Centre is run by respective Head of the Department/ Coordinator along with faculty members. They plan the curriculum and provide essential inputs to the students in the related area. The faculty and their academic qualifications are listed as under:

Department

Computer Science & Engineering

1.	Ms. Vibha Nehra	Assistant Professor	M.Tech
2.	Mr. Chandra Prakash	Assistant Professor	M.Tech
3.	Mr. Avinash Kumar Singh	Assistant Professor	M.Tech
4.	Ms. Deepti Gupta	Assistant Professor	M.Tech
5.	Ms. Supreet Kaur	Assistant Professor	M.Tech
6.	Ms. Varsha Kumari	Assistant Professor	M.Tech

Electronics & Communication Engineering

1.	Dr. Supriya Aggarwal	Assistant Professor	Ph.D
2.	Dr. Shobhna Sharma	Assistant Professor	Ph.D
3.	Mr. Rohit Kumar	Assistant Professor	M.Tech.
4.	Mr. D. Sreenivaslu	Assistant Professor	M.Tech.
5.	Mr. Ashwani Kumar Gaur	Assistant Professor	M.Tech.
6.	Mr. Lalat InduGiri	Assistant Professor	M.Tech.
7.	Ms. Jyoti Gupta	Assistant Professor	M.Tech.

Electrical & Electronics Engineering

1.	Dr. Pankaj Mukhija	Assistant Professor	Ph.D
2.	Dr. Anshul Aggarwal	Assistant Professor	Ph.D
3.	Mr. Ranjit Singh	Assistant Professor	M.Tech
4.	Mr. Ravi Kumar	Assistant Professor	M.Tech
5.	Mr. Arun Kumar	Assistant Professor	M.Tech
6.	Mr. Naveen Kumar	Assistant Professor	M.Tech

Applied Sciences

1.	Dr. Nidhi Dureja	Assistant Professor	Ph.D
2.	Dr. Dharmendra Tripathi	Assistant Professor	Ph.D
3.	Dr. Pushpendra Kumar	Assistant Professor	Ph.D
4.	Dr. Vinay Shankar Pandey	Assistant Professor	Ph.D

Humanities

1.	Dr. Shakira Khan	Assistant Professor	Ph.D
----	------------------	---------------------	------

Mechanical Engineering

1.	Mr. Pardeep Kumar	Assistant Professor	M.Tech.
----	-------------------	---------------------	---------

Computer Center

1.	Mr. Subhash Yadav	Scientific Officer	MCA
----	-------------------	--------------------	-----

Training & Placement

1.	Dr. Shobhna Sharma	Assistant Professor	Ph.D
2.	Mr. Rohit Kumar	Assistant Professor	M.Tech

Library

1.	Ms. Manisha Singh	Assistant Librarian	M.Phil, PGDLAN
----	-------------------	---------------------	----------------

Sports

1.	Mr. Parvinder Singh	SAS	Graduate
----	---------------------	-----	----------

3.3 Administrative and Other Staff

3.3.1 The general administration of the Institute is as under:

S.No	Name of Department/Dean	Name of Dean/Co-ordinator
1.	Dean Academics (I/C)	Dr. Vinay Shankar Pandey
2.	Dean Faculty Welfare (I/C)	Dr. Supriya Aggarwal
3.	Dean Student Welfare (I/C)	Dr. Pankaj Mukhija
4.	Dean R & C (I/C)	Mr. LalatInduGiri
5.	Dean P & D (I/C)	Mr.Rohit Kumar
6.	Computer Science & Engineering	Ms. Vibha Nehra
7.	Electronics & Communication	Dr. Supriya Aggarwal Engineering
8.	Electrical & Electronics	Dr. Pankaj Mukhija Engineering
9.	Sciences	Dr. Vinay Shankar Pandey
10.	Humanities	Dr. Shakira Khan

3.3.2 Hostel Administration

There are 2 boys and 1 girls hostels which are looked after by respective Wardens to accommodate 100 Boys and 50 Girls.However the overall administration rests with the Chief Warden. The hostel administration is looked after by the faculty as under:

S.No	Name	Designation
1.	Dr. Pankaj Mukhija	Dean Student welfare (Chairman)
2.	Dr. DharmendraTripathi	Chief Warden & Chief Proctor

3.	Mr. Sunil Panday	Dy. Chief Warden
4.	Ms. Supreet Kaur	Dy. Proctor/ Astt. Proctor
5.	Mr. Naveen Kumar	Dy. Proctor/ Astt. Proctor
6.	Mr. Rohit Kumar	Dy. Proctor/ Astt. Proctor
7.	Dr. Shakira Khan	Warden, Girls Hostel Rohini
8.	Dr. Puspendra Kumar	Warden, IAMR Hostel
9.	Mr. Ashwani Kumar Gaur	Warden, S.R.H. Hospital Hostel

4.0 TEACHING PROGRAMS

4.1 Courses offered

Undergraduate Programmes

Four year Bachelor of Technology (B Tech) Programmes:

- Computer Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering

Post Graduate and Research Programmes:

Two year regular Master of Technology(M Tech) Programme

- Electronics & Communication Engineering

4.2 List of Toppers

Following are the Toppers of 2010 Batch department wise:

S.No	Department	Name of Student
1.	Computer Science & Engg.	Saransh Gupta
2.	Electronics & Communication Engg.	Anuj Gupta
3.	Electrical & Electronics Engg.	Chitikena Abhijith

4.3 Admission Statistics

Total Sanctioned Intake of Students at UG & PG Level					
Course/ Category	General	SC	ST	OBC	Total
UG	87+3*	26+1*	14	48+1*	180+12#
PG	8	2	1	4	15
Grand Total	98	29	15	53	195+12#
* PWD					
# DASA Students					

Total Actual Admission At UG & PG Level (Category Wise)												
Course/ Category	Gen				SC		ST		OBC			Total
	M	M PWD	F	FPWD	M	F	M	F	M	MPWD	F	
UG	41	1	13	1	19	1	10	43	43	1	5	133+9#
PG	4		2		3			5	5			14
Grand Total	45	1	15	1	22	1	10	48	48	1	5	147+9#

4.4 Scholarships/ Assistanceship

JRF/SRF fellowship as per MHRD norms.

4.5 Games & Sports

4.5.1. Special Requirement for Degree:

The students entering in the Institute are required to undergo the following Non-Credit mandatory requirements towards completion of their degree:

- **N.S.O. (National Sports Organization)**
- **N.S.S. (National Service Scheme)**

The students have to opt for one of these activities based on the enrolment procedure and their choice. A total of 100 hours of prescribed activities are to be completed after registration in the first year. In case the requirements are not met in the first year, the same shall be completed in the second year i.e. end of the 4th Semester. If a student does not obtain a satisfactory grade in the respective registered course within the first two years of his/her stay at the Institute, he/she will not be registered for the higher semester after second year.

The students will be allowed to register in sports activities of the Institute for completing their National Sports Organization requirement in the first year.

Sports are an important activity for overall development of the students. It has to be carried out in order to promote spirit of Sportsmanship amongst the students and is essentially an activity, which encourages sense of healthy competition feeling of love and togetherness. Further, the sports calendar crowded with sporting games/events is promoting enthusiasm in the day-to-day campus life of the students. The Department of Physical Education and Sports is geared to achieve the following motives:

- Healthy mind in a healthy body
- Fit people Fit Nation
- Making sports a way of life.

The Institute at present is providing facilities in number of Outdoor and Indoor games for the budding engineering students.

4.5.2. Outdoors Games Facilities (Boys & Girls)

S. No	Outdoor Games	Facility Available
1.	Football	40*30m Ground
2.	Badminton	44*20 Ft Ground with Movable stands
3.	Volley	Poles & Net, Light Facility

4.5.3. Indoor Games Facilities (Boys & Girls)

S.No	Indoor Games	Facility Available
1.	Table Tennis	2 Table along with Playing equipment
2.	Carrom	4 Boards with Tables
3.	Chess	4 Chess boards with Mates

4.5.4. Sports Achievements at Inter - NIT's , IIT's & Universities Level

S.No	Name of Tournament	Game	Position
1.	Twaran 2014, ABVP Gwalior	4*400 Relay Race	Bronze
2.	Twaran 2014, ABVP Gwalior	4*200 Relay Race	Silver
3.	Utkarsha 2014, NSIT Delhi	Table Tennis	Winner
4.	Utkarsha 2014, NSIT Delhi	Football	Runner Up

4.5.5. N.S.S (NATIONAL SERVICE SCHEME)

The overall aim of National Service Scheme (N.S.S) is to provide an extension dimension to the higher education system and orient young students to community service while they are in the Institute.

The broad objectives of N.S.S in the Institute are:

- To make the students understand the belonging community
- To identify the needs and problems of the community and to involve themselves in problem solving process
- To develop among themselves a sense of social and civic responsibility
- To utilize their knowledge in finding practical solution to various individual and community problems

4.6 TRAINING & PLACEMENT

The Training and Placement Cell of the Institute centrally handles all aspects of campus placements for the graduating students of all Departments. The T & P Cell is well equipped with excellent infrastructure to support each and every stage of the placement processes. The T & P staff members assist in arranging Pre-Placement Talks, Written Tests, Group Discussions, and Interviews etc. are made as per the requirements of the Organizations.

The T&P Department also facilitates various opportunities to avail various Industrial visits during the academic sessions in renowned Organizations.

4.6.1 Industrial Visits:

Industrial visits as a part of Industry Institute interaction plays a vital role in giving exposure to the students enrolled for Professional and Industry oriented programs in the Institute. Much is being emphasized on this aspect by both the policy makers in the Government and the Industrial Organizations, who look forward for adequately equipped technical manpower to be absorbed in their setup.

Keeping in view of above aspects the following Industrial visits were organized by the institute

- Infosys, Chandigarh, on 3rd November, 2012 for Computer Science and Engineering students.
- NTPC, Badarpur, Delhi, on 10th November, 2012 for Electrical and Electronics Engineering students
- INMAS ,DRDO , Delhi on 22nd January ,2013 for Electronics and Communication Engineering students

1.6.2 Student Placement

Our Students have been placed in following organization either as full time employees or as trainees:

- IBM (GBS)
- Samsung Noida labs
- L& T Construction
- BalmerLawrie
- Maz Digital
- Ramco
- Sapient Nitro

- Hughes Systique
- PAYTM- ONE 97
- Amazon
- Trident
- World Quant
- Pinta Tech
- Mu Sigma
- NVIZION
- AKASH INSTITUTE
- ETA Ascon
- Reliance Communication

4.7 Rules & Regulations for B.Tech Programmes

4.7.1 Registration

- Every student is required to be present and register at the commencement of each semester in the day(s) fixed for and notified in the academic calendar.
- The Percentage attendance for all students will be counted from the date of commencement of the semester, irrespective of his/her date of registration. However, in case of 1styr 1stsemester, attendance is counted from the date of admission into the institute or date of commencement of class work, whichever is later.
- Registration for all courses in the first two semesters is organized centrally.
- From the third semester onwards, the registration will be organized Department wise under the supervision of the Head of the Department.
- A student who does not register on the day announced for the purpose may be permitted, in consideration of any compelling reason, late registration within the next week on payment of additional late fee as prescribed by the Institute from time to time. Normally, no late registration is permitted after one week from the scheduled date.
- After registration in each semester, each student should collect a registration sheet, which indicates the courses registered by him/her in that semester signed by the faculty advisor. The student should carry this registration sheet for all for all the examinations in that particular semester. This sheet serves the serves the purpose of hall ticket for appearing for the examination in that semester.
- If a student finds himself overburdened in any semester, or for any other valid reason, he/she

can drop some courses within three weeks from the commencement of class work in the semester with the written approval of his/her faculty advisor and Head of the Department with an intimation to Dean Academic.

- Only those students will be permitted to register who have
 - cleared all the Institute & Hostel dues of previous semesters.
 - paid all required fees for the current semester, and
 - Not been debarred from registering for a specified period on disciplinary or any other ground.
- A student can register for a backlog subject either for:
 - Study or
 - Examination.

In case of study, his/ her previous marks/ grades are cancelled and will have to attend all Classes and Examinations along with next batch of students. Major Changes in the time table shall not entertained to accommodate backlog students. In case of registration for Examination, he/she need not attend the classes, but will appear only for the End-Semester Examinations or Make-up Examinations as and when they are conducted. In such a case, the student shall be awarded only P grade, if he/she gets 35% or more marks in the End Semester/ Make-up Examination. Backlog students registering for Study or Examination have to submit an undertaking that they will not change the status of their registration in the subject during the semester.

4.7.2 Promotion Rules

- There are no restrictions for promotion from odd semester to even semester
- *From I Year to II Year:*
To be able to register in the second year I semester, a student should have completed, with P or better grade, atleast 30 credits at the end of first year.
- *From II Year to III Year:*
For Promotion to Third year, a student should have
 - cleared all the course work requirement of I Year, and
 - passed, with P or better grade, atleast 30credits in II year I semester, second semester and Make-up Examination put together.
- *From III Year to IV Year:*
For promotion to Fourth year, a student should have
 - cleared all course work requirements of 1st year, 2ndyear, and
 - passed, with P or better grade, atleast 30credits in 3rd year 1st semester, 2ndsemester and Make-up Examination put together.

5.0 RESEARCH AND DEVELOPMENT

5.1 Ph.D Programs- Existing and Proposed

- Computer Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering

5.2 Proposed Plan for research

Since its inception National Institute of Technology Delhi has been constantly putting effort, not only to establish itself as a pioneer Institute of higher learning in India but also to mark a global presence as a leading Research and Development hub. Within in a short span of time NIT Delhi has acquired distinction and expertise in some of the fundamental and core Research areas. The Institute credits itself in establishing International collaboration with some of the leading International academia and Industry Institutes. Nearly 15 students have been working in collaborative research projects with IIT Delhi during the summer vacation of 2013-2014. The Institute has also got IEEE student chapter recently and plans to hold the different chapter activities in the coming academic session.

The major areas of research activity of NIT Delhi are:

- Wireless Sensors Networks.
- Electronic circuit design for home automation.
- Infrared Thermography based novel Nano materials characterization.
- Energy harvesting and clean Energy sources
- Advanced Magnetohydrodynamics, Mathematical Modeling of Fluid Dynamics.
- VLSI and Embedded Systems.

The Institute is in a process setting up an Interdisciplinary/Interdepartmental research and development centre to promote R & D activities amongst the student community and to facilitate the faculty members to bring in and work on more and more sponsored projects. Special schemes have been designed and are on the verge of implementation to attract more and more faculty community to join the R & D pool. The Institute carries a long term vision of taking up R & D activity catering to the real life challenges such as Agricultural Electronics (Wireless Sensor based drip Irrigation system, Electronic Sensors based crop monitoring) , Energy harvesting system and clean energy sources and ICT solutions for environmental monitoring. NIT Delhi has been doing and have plans to carry on with arranging invited talks from eminent Personalities from Academia

and Industry to keep both the student and faculty community motivated.

As a vogueish beginning, the Institute has also arranged for the M. Tech. student (ECE) final year thesis work in collaboration with Industry partners. Efforts are on to have more such collaborative joint student thesis work with leading government R & D Institutes in the following academic sessions. Similar plans are also being designed also for the Research Scholars.

6.0 BOG AND OTHER COMMITTEES

Board of Governors

1.	Shri R. Santhanam	Chairman
2.	Smt. Amita Sharma	Member
3.	Ms. Anu J. Singh	Member
4.	Ms. Neelam Dhawan	Member
5.	Shri Raman Kumar Sharma	Member
6.	Shri K. Ananth Krishnan	Member
7.	Dr. Anjee Prakash	Member
8.	Prof. S.N. Singh	Member
9.	Prof. Ajay K. Sharma	Ex-officio Member
10.	Deputy Registrar	Secretary

Finance Committee

1.	Shri Ravi Santhanam	Chairman
2.	Ms. Amita Sharma	Member
3.	Shri Yogendra Tripathi	Member
4.	Ms. Neelam Dhawan	Member
5.	Shri Raman Kumar Sharma	Member

6.	Shri K. Ananth Krishnan	Member
7.	Dr. Anjee Prakash	Member
8.	Prof. S.N. Singh	Member
9.	Prof. Ajay K Sharma	Ex-Officio Member
10.	Deputy Registrar	Secretary

Building & Works Committee

1.	Prof. Ajay K Sharma	Chairman
2.	Shri Raju Srinivasan	Member
3.	Shri Raman Kumar Sharma	Member
4.	Deputy Registrar	Secretary

Senate Committee on Discipline

1.	Dean Academics	Chairman
2.	Dean faculty Welfare	Member
3.	Dean Student Welfare	Member
4.	Chief Warden	Member

Standing Committee

1.	Dean Faculty Welfare	Chairman
2.	Dean Academics	Chairman
3.	Dean Student Welfare	Member
4.	Dean R&D	Member
5.	Dean P&D	Member

7.0 CENTRAL FACILITIES AND SERVICES

7.1 Computer Center

The Computer Centre of NITD was established on 18/02/2014, to cater the computational requirements of the Institute and is equipped with latest state of the art Technological Resources. The Institute visualizes centralized computing facility, campus wide networking and Information Technology to enrich the educational experience and invigorate emerging areas of scholarly research and development.

The Computer Centre maintains and manages WiFi facility through rack mounted blade servers in the campus having High speed (single mode) fiber backbone, managed by Layer 4 Switches providing 250 Mbps (1:1) bandwidth Speed. These networking facilities are also extended to Hostel and Residential areas.

The Main assignments and activities of the centralized facility are to:

- Provide, manage and ensure the satisfactory operation of joint computer and software facilities for the Students and Departments that are required by them.
- Provide Technical Assistance to various users.
- Ensure the monitoring of the Computer Network at the Institute, and the coordination of inter-connections and the management of overall Computer facilities for the whole institute.
- Provide computer facilities for the Institute administration.
- Manage Integrated Institute Management System on SaaS.
Working Hours (Monday to Friday): 09.30 AM to 5:30 PM

Facilities

- High Speed (Single mode) fiber backbone 250 Mbps (1:1) Bandwidth
- High End Servers Rack mount, 8 Blade Populated, Storage upto 5 TB
- Wireless Fidelity (WiFi) complete WiFi campus with 24 access points of Cisco
- Electronic Media Player Facility of Electronic Notice Board
- Printing & Photocopier facility Centralized Network printing, Scanning and Photo coping facility.

7.2 Games and Sports Facilities

The college has a well equipped Sports Department with arrangements for several Indoor and outdoor games. Indoor games include Badminton, Table-Tennis, Carom and Chess and outdoor games include Cricket, Football, Volley ball and Basketball. There are well maintained grounds for Football and Volley ball along with a groomed cricket pitch; also the Institute has separate basketball court for students.

The Sports Equipments/kits are issued to the students for practice sessions and during tournaments. Inter-Branches Tournaments are conducted in various games annually i.e. Chess, Football, Badminton, Table Tennis, Volleyball, Cricket, and Annual Athletic Meet. Sports facilities for Indoor games are also provided in the Boys and Girls Hostels.

Timings for Sports activities are Morning 6:00 AM to 8:00 AM and Evening 4:00 PM to 7:00 PM for College Students and Staff Members.

45 Students of NITD participated in sports event held at ABV-IIITM Gwalior from 23rd -27th January 2014 in sports meet “TWARAN-2014”, in Football, Volleyball, Basketball, Badminton, Table Tennis and Athletes.

20 Students of NITD participated in Sports Fest “UTKARSHA-2014” held at NSIT Delhi from 19th- 24th March 2014 in the various games such as Football and Table Tennis.

7.3 Laboratories

With the planned schedule of classes which is already underway, the Laboratories are providing controlled conditions for conducting Research, Experiments and Measurements. The Laboratories at NIT Delhi are reservoirs of opportunity, energy, innovation and growth. The Institute is equipped with 8 laboratories in all, namely:

- Integrated Electronics and Communication Lab
- Electronic Design and Automation Lab (Equipped with 12 Pcs)
- Basic Electrical and Electronics Lab
- Engineering Drawing Lab (under Development)
- Physics Lab
- Chemistry Lab (Under Development)
- Computer Lab I, (Equipped with 45 i7 Pcs)
- Computer Lab II, (Equipped with 30 i7 Pcs)

7.4 Classrooms

The classrooms are a blend of traditional learning methods, which enable students to learn what they need, when they need it, with the ability to put that knowledge and skills to use quickly. Students attend classes comprising of Lecture, Lab and Q/A. Thus, the classrooms at NIT Delhi are well structured keeping all the requirements and technology in mind. These are equipped with electric projector screens apart from the basic necessities of a classroom.

- Nine classrooms equipped with Multimedia Projectors
- Facility of Electronic Notice Board capable to derive Electronic Wall in Future
- IP Camera Surveillance (under Process)
- E-podium with facility of Audio Video Recording (under Process)

7.5 Library

The Central Library, NITD was established in the year 2012 (10 June 2012) in Dwarka to facilitate the access to information resources to the Faculty and Students of the Institute. It moved to its present location IAMR Campus, Narela Institutional Area on 18th February 2014. It is housed on the first floor of the building with beautiful surroundings and is in midst of the campus which is easily accessible from all Departments and Hostels. It is just opposite to and very near to Computer Centre. All the faculty members, students and staff of the Institute are entitled to access all the Library facilities and services. The library is growing rapidly with exponential increase in number and type of collection to serve the information needs of the clientele in the field of Social Sciences & Humanities and Engineering & Physical Sciences. It has very good reading room facility with proper ventilation and natural lighting. The library resources were recently automated.

LibraryHours:

The Library remains open on week days from 9:30 a.m to 6:30 p.m. Library remain closed on Saturdays and Sundays and Gazetted Holidays.

Library Layout:

- Library floor is divided into various broader areas: stack area containing textbooks and reference material; circulation section to issue and return the library resources, reading area, display section for New Arrivals and Magazines. Newspaper section is made near the entrance of the library.
- Separate Room for the Library professional and another room is used as processing section and Automation Workstations.
- Self circulation kiosk is fitted inside the library.(Automation in progress)

Library Resources:

The Library has a rich collection of books in the field of Engineering and Science & Technology including mathematics, Physics, Chemistry, Polymer Science, Environmental Sciences and also in the field of Humanities and Social Science including English and Economics. NITD library also has good collection including text books, reference books and magazines for various competitive exams such as GATE etc. Further being a developing library, it is exponentially growing in terms of collection development and progressing towards book bank facility for all students. Library also provides access to thousands of electronic journal e-Books, Standards, Reports and Conference proceedings subscribed by the Institute, few are listed as follows:

- IEL ONLINE
- ACM Digital Library
- Springer Verlag
- Elsevier Science Direct
- DELNET

Library Services

- **Membership:** All Students, Research Scholars, Faculties and Members of Research Institutions / Corporate houses can register their membership with NIT Delhi Central Library.
- **Circulation:** Information regarding recall or placements of holds/reserve on books that are currently charged out is allowed. Reference material is issued for the use in the library only. Renewal of issued material is done two times per document. Fine is imposed for late return, lost or damage of books.
- **Reference and Information Service:** Ready reference and Long range reference services are provided to users as per their information requirement. Also Library provides e-reference service through email.
- **Document Delivery/Inter Library Loan:** The Library provides document delivery service to the faculties and research scholars to support in their Research and Academic activities. Also if some document is not available in library, the same is lend through Inter Library Loan from the other Libraries. Library staff initiates to help their user regarding the information requirement

of the user to fulfil their purpose/need of the urgent piece of information or document.

- **Internet:** Internet facility is provided centrally through the Computer Centre.
- **Photocopy Facility:** Users willing to avail the photocopy service for a specific piece of information. Copyright issues and Plagiarism is always taken care of by not allowing the excessive photocopy of a document.
- **Newspaper Clipping Service:** Newspaper clippings record about NIT's all over the India is maintained in the Library. Any other newspaper clipping required by the faculty or student on a specific heading is provided to them on request.
- Suggest/Recommend a Book by filling the form and sending it to Assistant Librarian by email or submit it in person.
- Previous Year Question Papers
- **CD-ROM Availability:** CD-ROM's of various Software's, EBooks, and Games etc. are made available to Students and Faculty members as per their requirement.
- **Reading facility:** A portion of Library has been segregated as an independent reading area for users where they can bring their personal laptops, text books and other materials for reading purpose.
- DELNET
- Web PAC

PART-II

Annual Accounts
(2013-2014)

राष्ट्रीय प्रौद्योगिकी संस्थान दिल्ली

National Institute of Technology Delhi
Sector A-7, Institutional Area, Narela, Delhi-110040

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of National Institute of Technology, Delhi for the year ended 31 March 2013

We have audited the attached Balance Sheet of National Institute of Technology, Delhi as on 31 March 2013, the Income & Expenditure Account and Receipts & Payment Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with section 22(2) of the National Institutes of Technology Act, 2007. These financial statements are responsibility of the manangement of National Institute of Technology. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

(i) We have obtained all the information and explanations, except those stated in the report, which to the best of our knowledge and belief were necessary for the purpose of our audit;

(ii) The Balance Sheet, the Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by the Government of India Ministry of Finance.

(iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Institute in so far as it appears from our examination of such books.

(iv) We further report that:

A. Balance Sheet

A.1 Assets

Fixed Assets (Schedule 8) Rs. 83.67 lakh

In the accounts addition to fixed assets of Rs. 105.34 lakh has been shown but the records of

purchase of assets such as vouchers, ledgers were not provided to audit. NIT replied that the records were on transit from NIT Warangal (the Mentor Institute for NIT Delhi) and shall be produced before audit at the time of next audit. In view of the position explained above the audit is unable to express an opinion on the correctness of the Fixed Assets depicted in the Balance Sheet.

B. Receipts and Payments Accounts:

The Institute received interest of Rs. 67,59,538 during the year but in the Receipts & Payments account the interest received was shown as Rs. 81,56,974 including increase in accrued interest of Rs. 13,97,436. The increase in the accrued interest of Rs. 13,97,436 was also shown on the payments side. This resulted in overstatement of Receipts & Payments by Rs. 13,97,436.

C. Grants-in-aid

For the year 2012-13, the Institute did not receive any grant from Ministry of Human Resource Development. However grant-in-aid of Rs. 40 lakh for the year 2011-12 which was not accounted in that year has been taken in the accounts this year and added to the Capital Fund.

(v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

(vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a. in so far as it relate to the Balance Sheet of the state of affairs of the National Institute of Technology as at 31 March 2013; and

b. in so far as it relate to the Income and Expenditure Account of the deficit for the year ended on that date.

For and on behalf of the C&AG of India

Place: New Delhi

Dated: 20.1.15

**Separate Audit Report of the Comptroller & Auditor General of India on the Accounts
of National Institute of Technology, Delhi for the year ended 31 March 2014**

We have audited the attached Balance Sheet of National Institute of Technology, Delhi as on 31 March 2014, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with section 22(2) of the National Institutes of Technology Act, 2007. These financial statements are the responsibility of the management of National Institute of Technology. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;

ii The Balance Sheet, the Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by the Government of India, Ministry of Finance.

iii In our opinion, proper books of accounts and other relevant records have been maintained by the Institute in so far as it appears from our examination of such books.

iv We further report that:

A. Balance Sheet

A.1 Assets:

A.1.1 Fixed Assets (Schedule 8) Rs. 3.58 crore

The above includes an amount of Rs. 30.79 lakh under the head Civil Works (Additions and Alteration) but as the Institute does not have any building of its own the expenditure should have been booked under repair & maintenance. This has resulted in overstatement of Fixed Assets and understatement of Expenditure by same amount.

B. Grants-in-aid

During the period 2013-14, the Institute received a total grant of Rs. 100.00 lakh from Ministry of Human and Resource Development. Its own receipt during the year is Rs. 308.95

lakh and it utilized Rs. 802.32 lakh. The excess expenditure was met from unspent balance of previous year grant and own receipts.

C. Management letter: Deficiencies which have not been included in the Audit Report have been brought to the notice of the Management, National Institute of Technology through a management letter issued separately for remedial/corrective action.

v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a. in so far as it relate to the Balance Sheet of the state of affairs of the National Institute of Technology as at 31 March 2014; and

b. in so far as it relate to the Income and Expenditure Account of the deficit for the year ended on that date.

For and on behalf of the C&AG of India

Director General of Audit
Central Expenditure

Place: New Delhi

Dated: 20.1.15.
