**Memorandum of Understanding**  
**between**  
**Soft Computing Research Society**  
**and**  
**National Institute of Technology Delhi**

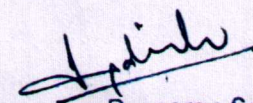

Soft Computing Research Society (SCRS) and National Institute of Technology Delhi (NITD) hereby agree to organize the third "International Conference on Communication and Intelligent Systems (ICCIS 2021)" under the following conditions:

1. National Institute of Technology Delhi (NITD) (Organizing Institute) will designate one person as Single Point of Contact (SPOC). The General Chairs, organizing members and Committee members will be finalized in consultation of SPOC.
2. All the General Chairs will be considered to be the editors of the proceedings.
3. The organizing institute has to form other committees for the smooth conduction of the conference.
4. All the registration fees will be deposited by the attendees directly in the Soft Computing Research Society Account only.
5. All types of expenditure including honorarium, website etc. will be borne by the Soft Computing Research Society.
6. The website of the Conference will be hosted by the Soft Computing Research Society in its own domain and will be managed by the Soft Computing Research Society only.
7. The advertisement will be jointly done by the Organizing Institute and the Soft Computing Research Society.
8. The organizing institute and SCRS members will manage the review process of all the submitted papers. At least two quality reviews are mandatory.
