**Step 1:** Go the Library WebOPAC through the below mentioned links (the link of the Library WebOAPC is also available on Library webpage)
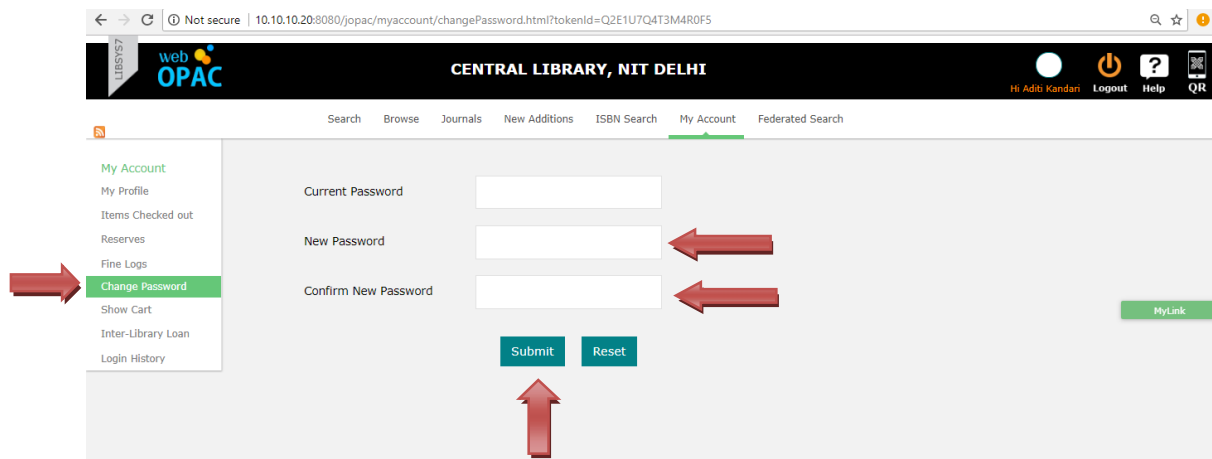

**Intranet: http://10.10.10.20:8080/jopac/**
**Internet: http://115.248.191.28:8080/jopac/**

**Step 2:** Go to My account:

**Step 3:** To Set your password Enter your Roll No./Employee code in the user ID and click on the submit button. Then, Click on the Change Password option (as shown below) and enter the New Password which you want to set for the Library WebOPAC Account and just confirm your password and then click on the submit button **(Kindly skip the current password option).**

**Step 3:** After clicking on the submit button you will get a **"Password Update"** notification.

**Note: You may also contact to the Library for further assistance regarding the same.**
