Terms & Conditions

1. The work shall be carried out as per latest CPWD specifications for Civil and Electrical works with upto date correction slips and as per the direction of Engineer-in-charge. The quantities given in the schedule of work for all the items are tentative. The work shall be carried as per actual requirement as approved by the Engineer -in - Charge.
2. Bidder's quoted Rates for executing the work shall remain firm till completion of the entire work & shall not attract any escalation under any circumstances whatsoever. The quantities mentioned in BOQ are tentative which may be increased or decreased as per the requirement of the Institute.
3. NIT Delhi shall not be held responsible for delay in submission of quotation.
4. Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, and in general shall themselves obtain all necessary information as to risks contingencies and other circumstances which influence or effect their bid. A Bidder shall be deemed to have full knowledge of the site, whether he inspects it or not and so no extra charges consequent on any misunderstanding or otherwise shall be allowed. The bidders shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work. Submission of a bid by a bidder implies that he has read this notice and all other documents and has made himself aware of the scope and specifications of the work to be done and local conditions and other factors bearing on the specification of the work.
5. Work will be executed as per latest CPWD Works Manual & General Conditions of Contract for CPWD Works.
6. Rates quoted by the bidders shall be inclusive of GST (Goods and Services Tax) and all applicable taxes. Taxes and all other statutory deductions like labor cess etc. will be deducted from the bill as per prevailing rules.
7. 2.5% of the bill amount will be retained by the Institute as security deposit, which will be released after completion of defect liability period of 06 months.
8. Contractor will devise a system to keep a watch on quantum of work taken up vis-à-vis balance items required to complete defined scope of work and will give the alerts to Engineer-in-Charge before taking up extra items and deviations.
9. Payment will be released based on actual measurements. No advance payment will be made to the contractor
10. The contractor shall clean the site thoroughly of scaffolding materials, rubbish/malba, equipments left out of his work & dress the site to the complete satisfaction of the Engineer-in-Charge before the work is treated as completed.
