Subject: Reply - Lok Sabha Provisionally Admitted Question Dy. No. 8382 to be answered on 13.03.2025 reg "Development of Artificial Intelligence Hub"- reg.

Sir/Madam,

In reference to Lok Sabha Provisionally Admitted Question Dy. No. 8382 to be answered on 13.03.2025 reg "Development of Artificial Intelligence Hub", the information pertaining to **NIT Delhi** is as follows:

Question	Reply
(a) Whether the Government is developing an Artificial Intelligence (AI) hub to enable effective and efficient dissemination of information on various government initiatives and the platform will also have the facility for multilingual translation of contents for an effective outreach to the masses across the country and other initiatives included: Digital India Bhashini, a language translation platform; BharatGen, the world's first government-funded multimodal large language model, the Sarvam-1 AI LLM; Chitralekha, an open-source video transcription platform and the multilingual AI system Everest 1.0, which caters to various Indian languages.	NIT Delhi has implemented various Government initiatives like Digital India Bhashini for the Hindi-English translation works at the Institute level.
(b) If so, the details thereof and the way in which these are useful to all the people along with the funds sanctioned and spent for the purpose till date?	The use of the Bhashini tool has improved and inculcated the habit of learning and working in the Hindi language at a large scale at the Institute.

Thanking you.

Yours faithfully,

(Registrar)

Subject: Reply - Lok Sabha Unstarred Question No. 2590 for 17.03.2025 regarding 'Integrate Technology with Education' - reg.

Sir/Madam,

In reference to the Lok Sabha Unstarred Question No. 2590 for 17.03.2025 regarding 'Integrate Technology with Education', the information pertaining to **NIT Delhi** is as follows:

Question	Reply
(a) The number of schools and colleges that have digital classrooms across the country following the initiative of the Government to integrate technology with education.	The classes/Lecture Theatres of NIT Delhi are equipped with Digital podiums and Digital Boards to facilitate the digital classrooms.
(b) Whether the Government has any data regarding the availability of digital education devices (mobile phones, tablets, laptops, etc.) with school children on a national level and if so, the details thereof.	Yes, a Mobile Library App is enabled for access to e-resources subscribed by the Institute, and Infosys Springboard for online education is available containing course content in various disciplines at NIT Delhi.
(c) Whether the Government has any plan to provide digital devices to those students who don't have such devices towards the aim of the Government to provide broadband connectivity for rural schools and if so, the details thereof.	NIT Delhi has various computer labs in all the departments which are readily available for the use of the students from 9:00 AM to 9:00 PM.
(d) Whether the Government tracks the percentage of improvement in student performance and vocational training enrollments as a result of these digital initiatives under the National Education Policy (NEP) and if so, the details thereof and if not, the reasons therefor?	N/A

Thanking you.
