

Dated: 13th August, 2025

Memorandum of Understanding (MoU)
Between
Bhagwan Parshuram Institute of Technology (BPIT) Delhi
And
National Institute of Technology (NIT), Delhi

This Memorandum of Understanding (MoU) is made and entered into by and between **Bhagwan Parshuram Institute of Technology (BPIT), Rohini, Delhi** and **National Institute of Technology (NIT), Delhi**, collectively referred to as the "Institutions," with the intent of promoting academic and research collaboration.

Purpose

The purpose of this MoU is to foster a collaborative framework between BPIT and NIT Delhi to promote academic cooperation, exchange of knowledge, and research in fields of mutual interest.

Areas of Collaboration

The Institutions agree to cooperate in the following areas:

1. Exchange of Information

Cooperate in the exchange of information relating to activities in research fields of mutual interest.

2. Joint Research and Consultancy

Promote appropriate joint research projects and consultancy activities, especially in the context of nationally and internationally funded projects.

3. Joint Supervision of Research Scholars

Facilitate joint supervision of Postgraduate and Ph.D. students from both institutions.

4. Ph.D. Opportunities

Allow faculty members/staff of BPIT to pursue Ph.D. programs at NIT Delhi, in accordance with NIT Delhi's applicable rules and regulations.

5. Sharing of Infrastructure

Share infrastructure facilities, including laboratories and library (during free slots), for the benefit of students and faculty members from both institutions.

6. Academic Events and Training

Organize expert lectures, practical training programs, and workshops involving faculty, staff, and students from both institutions for B.Tech, M.Tech, and Ph.D. students.

7. Conferences and Short-Term Courses

Jointly conduct conferences, seminars, workshops, and short-term courses on topics of mutual interest, with prior mutual written consent.

8. Laboratory and Product Development Support

Provide mutual guidance and technical support in laboratory projects and product development initiatives.

9. Support for Innovation and Entrepreneurship

Collaborate on innovative projects and activities related to innovation, entrepreneurship, IPR, and other research domains for the benefit of students and faculty.

10. Industry Collaboration

Work jointly towards collaborations with industry partners to solve real-life industrial problems.

11. On Duty Status

Faculty involved in collaborative activities under this MoU will be considered "on duty" during visits to the collaborating institution.

Review and Duration

- The collaboration under this MoU shall be subject to periodic review by both institutions to assess the progress and effectiveness of the cooperation.
- This MoU shall remain in effect for a period of **Three (3) years** from the date of signing and may be renewed upon mutual agreement.

General Terms

- This MoU represents a statement of mutual intent and does not constitute a legally binding obligation.
- Any specific projects or activities resulting from this MoU will be detailed in separate agreements or written communication, as required.
- The day-to-day implementation of this MOU will be coordinated by **Prof. Deepika Sandil, Applied Science Department, BPIT, Delhi** and **Prof. Anurag Singh, CSE Department, NIT Delhi**. The coordinators, thus appointed, will periodically review and identify ways to strengthen cooperation between the two institutions.
- Either institution may terminate the MOU by giving written notice to the other institution six months in advance. Once the MOU is terminated, neither **NIT, Delhi** nor **BPIT, Delhi** will be responsible for any losses, financial or otherwise, which the other institution may suffer. However, **NIT, Delhi** and **BPIT, Delhi** will ensure that all activities that are in progress are allowed to complete successfully.
- Should there be a dispute relating to any aspect of academic and research cooperation, Director, **NIT, Delhi** and Principal, **BPIT, Delhi** will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.
- This MOU is signed subject to approval of the respective academic/ administrative bodies.

Signed on this day, the ____ of _____ 2025, by the duly authorized representatives of both institutions:
